Setup and Configuration

To set up your store with Virtootal - Try On Magic Mirror:

1. Create a free or paid account on [Virtootal](https://virtootal.com).
2. Go to: **WooCommerce > Virtootal** .
3. Enter your Username and Apikey from your [Virtootal account](#)
4. Save changes.

Usage

1. Go to edit any product in the admin.
2. Click on Virtual tab.
3. Login with your Virtual credentials (if not logged in yet).
4. Choose the product category and set up the product color or upload a product image for the virtual mirror (depends on the category, for cosmetics you need to set up the color, for the other products, like sunglasses, you need to upload an front facing image, best with transparent background and fit on the model)
5. Click on Publish, Generate thumbnails now, Save changes.
6. Check the product front end, the virtual mirror should be there.
